

Parkinson SuperWalk is the single most important awareness and fundraising event for Parkinson Society BC and its national partner, Parkinson Canada. Since 1990, SuperWalk has provided a platform for increasing awareness of the needs of those affected by Parkinson's disease. Funds raised support PSBC's programs, support services, advocacy efforts, and contributions to research.

On the weekend of September 7 & 8 incredible British Columbians in more than 15 communities throughout the province will walk together to help give hope to approximately 17,500 people in BC living with Parkinson's disease.

## Role Overview

The food and beverage coordinator plays a critical role in the overall success of Parkinson SuperWalk in their community. They will be responsible for coordinating and securing food and beverages for walk day.

## Monthly Commitment

3-4 hours (varies based on community and committee size).

## Responsibilities

- Attend all SuperWalk committee meetings.
- Determine what food and beverage best suits your event.
- Secure food and beverage sponsors (in-kind or cash donations), with support from the committee.
- Track in-kind and cash donors/sponsors.
- Attend and oversee the food and beverage needs on the event day.
- Ensure all health code requirements are met including permits, proper storage of food, and handling food-certified staff/volunteers if required.
- Ensure the food and beverage area is easily accessible, properly displayed and cleaned up.
- Participate in post-event wrap-up activities.

The Food and Beverage Coordinator will have an opportunity to develop leadership and supervisory skills and work closely with volunteers. They will be part of a team environment dedicated to supporting those touched by Parkinson's disease.

Certification in FOODSAFE Level 1 is an asset.
