FYI

- **SuperWalk 2024:** We are pleased to announce that the 2024 SuperWalk will be held on the weekend of September 7th & 8th! As many of you know, Domenica will once again be your main point of contact for all SuperWalk-related topics. Do not hesitate to email or call her with any questions or concerns you may have.
- **SuperWalk Website:** A new and improved SuperWalk website will be launched in early May! PSBC has been working hard on the re-designed SuperWalk website, which you and everyone in our community will be able to experience very soon!

To Do:

- **SuperWalk Organizer Spring Survey:** Please fill out the following survey by **April 11th, 2024**. In this survey, you will find questions regarding Spring materials (i.e., pledge forms, business cards, etc.) and your availability for the monthly SuperWalk Organizer meetings.

- **SuperWalk Route Maps:** As a new request for the SuperWalk website, we are requesting that you provide a walk route map where all writing and lines must be clear by **April 18th**. All route maps need to be sent as a PDF to dkozy@parkinson.bc.ca. We have provided an example of the Vancouver route map below [not the size that will

need to be provided to PSBC]. If you require assistance, please email, or call
Domenica.
